This will involve the production of one document to prove personal identity and another to prove current permanent residential address. The documents must be from different data sources, so a bank card and bank statement from the same bank will not be acceptable. The majority of our customers who have existing Accounts will have already submitted documents to prove identity and there is no requirement to repeat the process. However, customers who have had business relationships commencing from before April 1995 may not have produced satisfactory documentation and, if this is the case, the process for new customers must be adopted.

Documents considered suitable to prove identity are:

Passport Driving Licence Pension Book National Identity Card

Documents considered suitable to prove residency are:

In such cases, we will accept copies certified by a solicitor, accountant, post master or government official. The certifier must be clearly identifiable and further verification of authenticity may be sought. We will accept other documents if you are unable to supply a document from the list above.
