PROOF OF IDENTITY AND RESIDENCY

All persons who enter into a business relationship with Newcastle Building Society must prove identity. This will involve the production of one document to prove personal identity and another to prove current permanent residential address. The documents must be from different data sources, so a bank card and bank statement from the same bank will not be acceptable.

The majority of our customers who have existing Accounts will have already submitted documents to prove identity and there is no requirement to repeat the process. If this applies to you, please enter your account number:

However, customers who have had business relationships commencing from before April 1995 may not have produced satisfactory documentation and, if this is the case, the process for new customers must be adopted.

Documents considered suitable to prove identity are:

Passport Driving Licence Pension Book National Identity Card

Documents considered suitable to prove residency are:

Utility Bill (3) Employment terms of engagement Bank/Building Society Statement (3) Mortgage Statement (12)

We must use the most recent information available so the figure in brackets is the maximum age of the document, in months, that will be acceptable. Although we require original documents, we do not recommend that highly valuable documents such as passports and driving licences are sent through the post. In such cases, we will accept copies certified by a solicitor, accountant, post master or government official. The certifier must be clearly identifiable and further verification of authenticity may be sought.

We will accept other documents if you are unable to supply a document from the list above. Please contact your local branch on Gibraltar 42136 (Regal House) or 41143 (Hadfield House) for further details. Funds deposited into this Account must belong to the Accountholder. Third parties transacting any business on behalf of the Accountholder may be asked for proof of identity and their details may be recorded.
